

# Kenwood E-Serene

| Feature             | Kenwood E-Serene 1.0 Ton (KES-1273S)                         | Kenwood E-Serene 1.5 Ton (KES-1873S)               |
|---------------------|--------------------------------------------------------------|----------------------------------------------------|
| Price Range (PKR)   | Rs. 135,500                                                  | Rs. 170,000                                        |
| Cooling Capacity    | 1.0 Ton (12,000 BTU)                                         | 1.5 Ton (18,000 BTU)                               |
| Type                | Inverter Split AC                                            | Inverter Split AC                                  |
| Energy Efficiency   | Up to 60% energy saving                                      | Up to 60% energy saving                            |
| Cooling Technology  | Flash Cooling, I-Clean Technology                            | Flash Cooling, I-Clean Technology                  |
| Refrigerant         | Eco-friendly R410 Gas                                        | Eco-friendly R410 Gas                              |
| Voltage Range       | Wide working voltage                                         | Wide working voltage                               |
| Special Features    | Evaporator anti-corrosion coating, whisper-quiet operation   | Golden fins, turbo mode, sleep mode, auto restart  |
| Warranty            | 4 Years PCB warranty, 10 Years compressor warranty           | 4 Years PCB warranty, 10 Years compressor warranty |
| Design              | Sleek white indoor unit                                      | Elegant white indoor unit                          |
| Additional Features | Intelligent temperature control, eco-friendly, whisper-quiet | Turbo mode, sleep mode, auto restart, 3D airflow   |
