

Kenwood E-Smart Onyx

Feature	Details
Model Name	Kenwood E-Smart Onyx KES-1866S
Capacity	1.5 Ton (18,000 BTU)
Type	Full DC Inverter Split AC with T3 Compressor
Price Range (PKR)	Rs. 277,000
Energy Efficiency	EER of 4.0, up to 75% energy saving
Cooling Technology	Flash Cooling, high ambient cooling up to 60°C
Smart Features	Wi-Fi control via eSmart app for remote operation
Design	Mirror black elegant indoor unit design
Special Technologies	i-Clean self-cleaning technology, ampere locking system (50%, 75%, 100% power levels)
Voltage Range	Wide working voltage: 120-270V
Compressor Warranty	12 years
PCB Warranty	4 years
Additional Features	Golden fins on indoor & outdoor units for corrosion resistance, low noise operation
Suitable For	Medium-sized rooms, offices
