Details: The Air Purifier Pro is a premium solution for homes seeking clean, breathable air. It features a 4-stage filtration system that includes a pre-filter, True HEPA, activated carbon, and ionizer, effectively eliminating 99.97% of airborne particles such as dust, allergens, bacteria, and odors. Its coverage extends up to 500 sq. ft., making it ideal for living rooms and bedrooms. A digital display shows real-time air quality metrics, while the silent mode ensures uninterrupted sleep. Its modern design and easy filter maintenance make it a favorite among urban households.
